

Volunteers Needed!

To our Massachusetts Members:

If you are an MBTA user, you may want to check out the following message.

The MBTA's Department of System-Wide Accessibility is looking for customers with disabilities to pose for photographs using MBTA trains, subways and buses.

Volunteers will:

- Demonstrate use of accessibility features (ramps, lifts, call boxes, etc.)
- May appear in an on-line Access Guide that details what customers with disabilities should expect when using each mode of the fixed-route service, the 2010 Access in Motion Calendar, and future newsletters
- Be needed at various times throughout November

If interested, contact Laura Brelsford at lbrelsford@mbta.com or Call 617-222-1688

Please pass this on to anyone you think would be interested in participating in this opportunity!
